Subject: Final Audit Report A-08-12, Remote Handled Certification, Oak Ridge National Laboratory Central Characterization Project

Dear Mr. Zappe:

Enclosed is the final audit report for Oak Ridge National Laboratory Central Characterization Project, Audit A-08-12, of the processes performed to characterize and certify waste as required by Section II.C.2.c of the Waste Isolation Pilot Plant Hazardous Waste Facility Permit. The report contains the results of the remote handled waste certification audit performed for Summary Category Group S5000 debris waste. The audit was conducted June 30 through July 2, 2008.

I certify under penalty of law that this document and all enclosures were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.

Please contact the Carlsbad Field Office Quality Assurance Manager, Ava Holland, at (575) 234-7423, should you have any questions concerning this audit report.

Sincerely,

*Original Signature On File*

David C. Moody
