Subject: Transmittal of the Recertification Audit Report for Audit A-11-14 of the Idaho National Laboratory Central Characterization Project

Dear Mr. Kieling:

This letter transmits the Final Audit Report for Audit A-11-14 of the processes performed by the Central Characterization Project at the Idaho National Laboratory to certify waste in accordance with the Waste Isolation Pilot Plant Hazardous Waste Facility Permit. The audit was conducted on June 7-9, 2011.

I certify under penalty of law that this document and all enclosures were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.

If you have any questions or comments concerning this report, please contact Mr. Randy Unger, Director of the Office of Quality Assurance, at (575) 234-7065.

Sincerely,
