

Instructions for Navigating through Acrobat Reader

Below are some instructions for viewing the *Waste Isolation Pilot Plant Disposal Phase Supplemental Environmental Impact Statement (SEIS-II)* on Adobe Acrobat Reader. Acrobat Reader allows users to view and print all or part of a document. SEIS-II is hyperlinked so the user can access chapters, appendices, or sections by clicking on the appropriate bookmark. The user can also access tables and figures by clicking on the list of tables or the list of figures bookmark, then clicking on the corresponding table or figure. Another way to view figures or tables is by clicking on the link, indicated by blue text, inside a chapter or appendix.

Open a File

Select **Open** from the **File** menu, highlight a file name, and click **Open**. Or you can open the **Main Menu** file and select the file you wish to open.

Print a File

Select **Print** from the **File** menu. You can print all or part of a document.

Navigate through a Document

- ◀ takes you to the page before the current page.
- ▶ takes you to the page after the current page.
- ◀◀ takes you back to the last page visited.
- ▶▶ takes you forward to the last page visited.
- ◀| takes you to the beginning of the document.
- |▶ takes you to the end of the document.

To move down on a page, either use the hand tool on the toolbar or use the mouse to click up or down on the scroll bar.

Page View

You can view the document in one of three modes: **Page Only**, **Bookmarks and Page**, and **Thumbnails and Page**. The document, when first opened, defaults to the **Bookmarks and Page** view. To change this view, go to the **View** menu on the toolbar. You will find the following choices:

- **Page Only** displays only the page.

- ❑ **Bookmarks and Page** displays bookmarks (a list of section numbers) and the page itself. Bookmarks link you to other sections of the document easily. This view is helpful if a particular section number is known. You can expand or collapse the bookmarks by clicking on the arrow to the left of a section number.
- ❑ **Thumbnails and Page** displays thumbnails (a graphic image of every page) and the page itself.

Links

Blue text and bookmarks indicate a link. Click on the blue text or on a bookmark to jump to the associated page.

Magnification

To change the magnification, either choose **View** from the menu items or click on the magnifying glass icon at the bottom of the screen.

Find

To find a word or phrase, either click on the icon with binoculars or choose **Find** from the **Tools** menu, then type in the word or phrase you wish to find.

Close a File

Select **Close** from the **File** menu.

Exit Acrobat

Select **Exit** from the **File** menu.

Additional Information

For additional information about Adobe Acrobat Reader features, click the **Help** menu in Adobe Acrobat.

Click on the star icon to go to the Main Menu and begin viewing the document.
