Subject: Transmittal of the Interim and Final Audit Report for the Hanford Site CCP,
Recertification Audit A-14-16

Dear Mr. Kieling:

In accordance with your letter dated March 2, 2012, instructing that the Department of Energy (DOE) must continue to perform annual audits of the Hanford Site Central Characterization Program (CCP) waste characterization activities, this letter transmits the interim and final audit report for the DOE Carlsbad Field Office (CBFO) Audit A-14-16 of the Hanford CCP in accordance with the Waste Isolation Pilot Plant (WIPP) Hazardous Waste Facility Permit. The report contains the results of the audit conducted May 20-21, 2014.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.

If you have any questions concerning the enclosed report, please contact Mr. Michael R. Brown, Director, CBFO Office of Quality Assurance, at (575) 234-7476.

Sincerely,
