

**CLARIFICATION NUMBER CAO-00-064, REV. 1
PERFORMANCE DEMONSTRATION PROGRAM FOR TCLP**

ISSUE

Are laboratories required to participate in a Performance Demonstration Program (PDP) for the Toxicity Characteristic Leaching Procedure (TCLP) analysis? B3-3

CONCLUSION

No. The CBFO does not have a PDP program for TCLP. Method 1311 of SW-846 is to be used to perform TCLP. Method 1311 provides adequate control of laboratory quality. Sites are required to follow the method as published.
