Comments

- R = TRU waste shipments removed from the site
- D = TRU waste shipments disposed of at WIPP
- Actuals (R and D) for current month are obtained from the WIPP Waste Information System (WWIS) as of the date of this report.
- R is different from D in some cases due to some shipments not being disposed of during the same month that they were removed
- The values for "Cumulative shipments since WIPP opened" are obtained from WWIS as shipments that have been disposed of at WIPP.
- Total cumulative shipments since WIPP opened reflects 14 ANL-E, 18 LLNL, and 2045 RFETS shipments.
- WIPP usually does not receive shipments during Thanksgiving Week in November and the last two weeks in December to allow for necessary maintenance at WIPP that cannot be performed during operations.
